Effect of the Scheme on various parties

- 118. The effect of the proposed Scheme on the stakeholders of the First Transferor Company would be as follows:

- (a) Shareholders (promoter)*

- The Scheme provides for and contemplates amalgamation of the Transferor Companies with the Transferee Company. Given however the fact that the entire paid-up share*

capital of the First Transferor Company is held by the Transferee Company and its nominees, upon the Scheme becoming effective, the equity shareholder(s) of the First Transferor Company would not become the equity shareholder(s) of the Transferee Company and the entire paid-up share capital of the First Transferor Company shall stand cancelled and extinguished. Further, under the Scheme, the authorised share capital of the First Transferor Company shall be reorganised in the manner as stipulated in clause 2.3 of Part II of the Scheme and pursuant to such reorganisation, the resultant authorised share capital of the First Transferor Company shall stand transferred to and be amalgamated/combined with the authorised share capital of the Transferee Company in the manner as stipulated in clause 2.3 of Part II of the Scheme. Thus, under the Scheme, an arrangement is sought to be entered into between the First Transferor Company and its equity shareholder(s).

(b) Creditors

The Scheme does not contemplate any arrangement with the creditors of the First Transferor Company. No compromise is offered under the Scheme to any of the creditors of the First Transferor Company. The liability towards the creditors of the First Transferor Company is neither being reduced nor being extinguished. Interests of the creditors of the First Transferor Company would in no way be affected by the Scheme.

As on date, the First Transferor Company has no outstanding debentures and therefore, the question of any effect of the Scheme on any such debenture holders or debenture trustee(s) does not arise.

As on date, the First Transferor Company has no outstanding public deposits and therefore, the question of any effect of the Scheme on any such deposit holders or deposit trustee(s) does not arise.

(c) Employees, Directors and Key Managerial Personnel

As stated in Clause 2.1.2 (xvii) of the Scheme and with effect from the Effective Date, the Transferee Company has undertaken to engage all the staff and employees of the First Transferor Company, if any, without any break or interruption in their services and on the same terms and conditions and which are not less favourable than those on which they are engaged by the First Transferor Company as on the Effective Date. In the circumstances, the rights of the staff and employees, if any, of the First Transferor Company would in no way be affected by the Scheme.

Upon the Scheme becoming effective, the First Transferor Company shall stand dissolved without being wound up. In the circumstances, the directors and key managerial personnel of the First Transferor Company shall cease to be the directors and key managerial personnel of the First Transferor Company.

None of the directors or key managerial personnel (as defined under the Act and the rules framed thereunder) of the First Transferor Company and their respective relatives (as defined under the Act and the rules framed thereunder) have any material interest in the Scheme, except to the extent that one of the directors of the First Transferor Company is the nominee shareholder of the First Transferor Company and/or to the extent that the directors of the First Transferor Company are the common directors in some of the Transferor Companies and/or to the extent that the key managerial personnel of the First Transferor Company are the key managerial personnel of some of the Transferor Companies.

119. The effect of the proposed Scheme on the stakeholders of the Second Transferor Company would be as follows:

(a) Shareholders (promoter)

The Scheme provides for and contemplates amalgamation of the Transferor Companies with the Transferee Company. Given however the fact that the entire paid-up share capital of the Second Transferor Company is held by the First Transferor Company and its nominees and given the fact that the First Transferor Company is also being amalgamated with the Transferee Company, upon the Scheme becoming effective, the equity shareholder(s) of the Second Transferor Company would not become the equity shareholder(s) of the Transferee Company and the entire paid-up share capital of the Second Transferor Company shall stand cancelled and extinguished. Further, under the Scheme, the authorised share capital of the Second Transferor Company shall be reorganised in the manner as stipulated in clause 2.3 of Part II of the Scheme and pursuant to such reorganisation, the resultant authorised share capital of the Second Transferor Company shall stand transferred to and be amalgamated/combined with the authorised share capital of the Transferee Company in the manner as stipulated in clause 2.3 of Part II of the Scheme. Thus, under the Scheme, an arrangement is sought to be entered into between the Second Transferor Company and its equity shareholder(s).

(b) Creditors

The Scheme does not contemplate any arrangement with the creditors of the Second Transferor Company. No compromise is offered under the Scheme to any of the creditors of the Second Transferor Company. The liability towards the creditors of the Second Transferor Company is neither being reduced nor being extinguished. Interests of the creditors of the Second Transferor Company would in no way be affected by the Scheme.

As on date, the Second Transferor Company has no outstanding debentures and therefore, the question of any effect of the Scheme on any such debenture holders or debenture trustee(s) does not arise.

As on date, the Second Transferor Company has no outstanding public deposits and therefore, the question of any effect of the Scheme on any such deposit holders or deposit trustee(s) does not arise.

(c) Employees, Directors and Key Managerial Personnel

As stated in Clause 2.1.2 (xvii) of the Scheme and with effect from the Effective Date, the Transferee Company has undertaken to engage all the staff and employees of the Second Transferor Company, if any, without any break or interruption in their services and on the same terms and conditions and which are not less favourable than those on which they are engaged by the Second Transferor Company as on the Effective Date. In the circumstances, the rights of the staff and employees, if any, of the Second Transferor Company would in no way be affected by the Scheme.

Upon the Scheme becoming effective, the Second Transferor Company shall stand dissolved without being wound up. In the circumstances, the directors and key managerial personnel of the Second Transferor Company shall cease to be the directors and key managerial personnel of the Second Transferor Company.

None of the directors or key managerial personnel (as defined under the Act and the rules framed thereunder) of the Second Transferor Company and their respective relatives (as defined under the Act and the rules framed thereunder) have any material interest in the Scheme, except to the extent that some of the directors of the Second Transferor Company are the common directors in some of the Transferor Companies.

120. The effect of the proposed Scheme on the stakeholders of the Third Transferor Company would be as follows:

(a) Shareholders (promoter)

The Scheme provides for and contemplates amalgamation of the Transferor Companies with the Transferee Company. Given however the fact that the entire paid-up share capital of the Third Transferor Company is held by the First Transferor Company and its nominees and given the fact that the First Transferor Company is also being amalgamated with the Transferee Company, upon the Scheme becoming effective, the equity shareholder(s) of the Third Transferor Company would not become the equity shareholder(s) of the Transferee Company and the entire paid-up share capital of the Third Transferor Company shall stand cancelled and extinguished. Further, under the Scheme, the authorised share capital of the Third Transferor Company shall be reorganised in the manner as stipulated in clause 2.3 of Part II of the Scheme and pursuant to such reorganisation, the resultant authorised share capital of the Third Transferor Company shall stand transferred to and be amalgamated/combined with the authorised share capital of the Transferee Company in the manner as stipulated in clause 2.3 of Part II of the Scheme. Thus, under the Scheme, an arrangement is sought to be entered into between the Third Transferor Company and its equity shareholder(s).

(b) Creditors

The Scheme does not contemplate any arrangement with the creditors of the Third Transferor Company. No compromise is offered under the Scheme to any of the creditors of the Third Transferor Company. The liability towards the creditors of the Third Transferor Company is neither being reduced nor being extinguished. Interests of the creditors of the Third Transferor Company would in no way be affected by the Scheme.

As on date, the Third Transferor Company has no outstanding debentures and therefore, the question of any effect of the Scheme on any such debenture holders or debenture trustee(s) does not arise.

As on date, the Third Transferor Company has no outstanding public deposits and therefore, the question of any effect of the Scheme on any such deposit holders or deposit trustee(s) does not arise.

(c) Employees, Directors and Key Managerial Personnel

As stated in Clause 2.1.2 (xvii) of the Scheme and with effect from the Effective Date, the Transferee Company has undertaken to engage all the staff and employees of the Third Transferor Company, if any, without any break or interruption in their services and on the same terms and conditions and which are not less favourable than those on which they are engaged by the Third Transferor Company as on the Effective Date. In the circumstances, the rights of the staff and employees, if any, of the Third Transferor Company would in no way be affected by the Scheme.

Upon the Scheme becoming effective, the Third Transferor Company shall stand dissolved without being wound up. In the circumstances, the directors and key managerial personnel of the Third Transferor Company shall cease to be the directors and key managerial personnel of the Third Transferor Company.

None of the directors or key managerial personnel (as defined under the Act and the rules framed thereunder) of the Third Transferor Company and their respective relatives (as defined under the Act and the rules framed thereunder) have any material interest in the Scheme, except to the extent that some of the directors of the Third Transferor Company are the common directors in some of the Transferor Companies and/or to the extent that the key managerial personnel of the Third Transferor Company is the key managerial personnel of one of the Transferor Companies.

121. The effect of the proposed Scheme on the stakeholders of the Fourth Transferor Company would be as follows:

(a) Shareholders (promoter)

The Scheme provides for and contemplates amalgamation of the Transferor Companies with the Transferee Company. Given however the fact that the entire paid-up share capital of the Fourth Transferor Company is held by the First Transferor Company and its nominees and given the fact that the First Transferor Company is also being amalgamated with the Transferee Company, upon the Scheme becoming effective, the equity shareholder(s) of the Fourth Transferor Company would not become the equity shareholder(s) of the Transferee Company and the entire paid-up share capital of the Fourth Transferor Company shall stand cancelled and extinguished. (a) Shareholders (promoter)

The Scheme provides for and contemplates amalgamation of the Transferor Companies with the Transferee Company. Given however the fact that the entire paid-up share capital of the Fifteenth Transferor Company is held by the Sixth Transferor Company and its nominees and given the fact that the Sixth Transferor Company is also being amalgamated with the Transferee Company, upon the Scheme becoming effective, the equity shareholder(s) of the Fifteenth Transferor Company would not become the equity shareholder(s) of the Transferee Company and the entire paid-up share capital of the Fifteenth Transferor Company shall stand cancelled and extinguished. Further, under the Scheme, the authorised share capital of the Fifteenth Transferor Company shall be reorganised in the manner as stipulated in clause 2.3 of Part II of the Scheme and pursuant to such reorganisation, the resultant authorised share capital of the Fifteenth Transferor Company shall stand transferred to and be amalgamated/combined with the authorised share capital of the Transferee Company in the manner as stipulated in clause 2.3 of Part II of the Scheme. Thus, under the Scheme, an arrangement is sought to be entered into between the Fifteenth Transferor Company and its equity shareholder(s).

(b) Creditors

The Scheme does not contemplate any arrangement with the creditors of the Fifteenth Transferor Company. No compromise is offered under the Scheme to any of the creditors of the Fifteenth Transferor Company. The liability towards the creditors of the Fifteenth Transferor Company is neither being reduced nor being extinguished. Interests of the creditors of the Fifteenth Transferor Company would in no way be affected by the Scheme.

The Scheme does not contemplate any arrangement with the debenture holders of the Fifteenth Transferor Company. The debentures issued by the Fifteenth Transferor Company, and held by the Sixth Transferor Company shall stand cancelled and no debentures in the Transferee Company shall be issued, as the Sixth Transferor Company is also being amalgamated with the Transferee Company pursuant to the Scheme. As there are no debenture trustee(s), the question of any effect of the Scheme on any such debenture trustee(s) does not arise.

As on date, the Fifteenth Transferor Company has no outstanding public deposits and therefore, the question of any effect of the Scheme on any such deposit holders or deposit trustee(s) does not arise.

(c) Employees and Directors

As stated in Clause 2.1.2 (xvii) of the Scheme and with effect from the Effective Date, the Transferee Company has undertaken to engage all the staff and employees of the Fifteenth Transferor Company, if any, without any break or interruption in their services and on the same terms and conditions and which are not less favourable than those on which they are engaged by the Fifteenth Transferor Company as on the Effective Date. In the circumstances, the rights of the staff and employees, if any, of the Fifteenth Transferor Company would in no way be affected by the Scheme.

Upon the Scheme becoming effective, the Fifteenth Transferor Company shall stand dissolved without being wound up. In the circumstances, the directors of the Fifteenth Transferor Company shall cease to be the directors of the Fifteenth Transferor Company.

None of the directors of the Fifteenth Transferor Company and their respective relatives (as defined under the Act and the rules framed thereunder) have any material interest in the Scheme, except to the extent that the directors of the Fifteenth Transferor Company are the common directors in some of the Transferor Companies. There are no key managerial personnel of the Fifteenth Transferor Company.
